Evening Events													Storytelling & open mic	8pm-midnight	Midco Stage				

Museum of Geo will be "come as you are"

JSS has no vehicle this day. Walk to museum from fairgrounds is less than a mile.

Custer State Park has lessons in fishing and canoeing along with guided hikes around Center Lake. There is also swimming and small playground there. One of my favorite lakes in the area.

Lunch & Learn @ Bethlehem. Surface talk by Mike Mansur learning about cave care, conservation, and formation repair.
